

## PATIO SERVICE POLICY

Dear Valued Keel Farms Customers,

We appreciate everyone's support during the last 16 years and are proud to be one of the top wineries in the southeast thanks to you. As our popularity as a destination has grown over the last ten years, we have been challenged to deliver high-quality service to our dining guests. Many guests desire to come with large groups and celebrate or just relax on our patio together. We constructed our facility as a wine tasting room and though we've tried to adjust to the crowds, our layout makes quality service for a large crowd very difficult. We wish to welcome the community to join together for parties with friends and family and maybe even meet some new friends on our comfortable deck for years to come.

**After careful deliberation, we have decided to eliminate table service for our outdoor dining area starting Friday, November 22 in favor of a more casual, bar service model.** Customers enjoying our outdoor space may order food and beverages at our bar and we will deliver food dishes to your chosen table anywhere in our outdoor area. We will continue to provide table service inside our 50-seat tasting room. We believe this change will result in a more calming, laid-back, community atmosphere for the outdoor space. We appreciate your continued support and hope you will help us move forward into the coming decade.

President  
Clay Keel
